### **Introducing The Beautiful And Practical Patio Table Centerpiece Solution**

“What a great centerpiece,” will be the popular phrase heard on patio’s everywhere next year. Accenting your patio table setting with a decorative centerpiece couldn’t be easier, even if there is an umbrella pole running through the table. **BRELLA VASE**® is the two piece vase from Blue Star Group that locks around the umbrella pole.

Whether you prefer tall or short centerpiece plant arrangements, fresh, dried or silk flowers, or those made with fanciful design material, **BRELLA VASE**® can help showoff the perfect display for any patio table setting.

“**BRELLA VASE**® is easy to add or remove from the table. Create your centerpiece and then simply slide the two watertight vase halves together around the umbrella pole at tabletop and lock them in place,” says the inventor, Patricia Connor. Paula Coleman, Kentucky Derby event planner, and President of Elite Events Universal, Inc. said, “For years I have been looking for a suitable floral container to use on our tables for the Kentucky Derby. I look forward to using **BRELLA VASE**® for many years to come.” Paula’s plan may be larger than most, she used 300 vases in white Churchill Downs – Tournament of Roses event and her display was beautiful.

**BRELLA VASE**® offers the versatility of mixing and matching the vase color with the display or to compliment other patio color schemes. Both the 5” and 10” tall sizes are available in four opaque colors -- Cottage White, Desert Sand, Garden Green, Terra Cotta -- and four NEW translucent colors -- Crystal Dew, Seaport Blue, Kauai Green, Wildflower Red. Made of durable high-impact plastic, **BRELLA VASE**® is dishwasher safe and UV stabilized for extended outdoor use, so they won’t fade when left outdoors like most plastic items. They can also double as festive napkin or plastic-ware holders for any occasion or celebrated event. The 10” retails for around \$19.00 and the 5” at \$14.50. **BRELLA VASE**® can also be imprinted with special event names and company logos.
